# Community Connector

Application Pack

## **Community Connector**

We are recruiting two community connectors for a short-term project in Bedminster, working for 13 days between June - October 2024 (flexible hours with key dates to be arranged with successful candidates)

### **The role:**

The community connectors will be responsible for engaging members of the local community (Redcliffe and Bedminster) in sharing stories and taking part in creative workshops that work towards an exhibition in Bedminster Library, to be designed with Knowle West Media Centre, in partnership with Filwood Community Centre and Library.

### **Fee:**

£2275 (calculated as £175 per day for 13 days of work over 4 months)

We also have a limited budget to cover expenses that arise as part of the role, be that travel or other access costs.

### **Who we are looking for:**

We have identified that men and people of the global majority (people from black, Asian, mixed, and other ethnic groups who are often racialised as 'ethnic minorities') are underrepresented in our current programme of work therefore we are particularly keen to hear from men (from any background) and people of the Global Majority (of any gender).
